# GRID GARDEN

English

Level 28 of 28

Your garden is looking great. Here you've left a 50 pixel path at the bottom of your garden with carrots.

Unfortunately, the left 20% of your carrots have been overrun with weeds. Use CSS to fix your garden.

```
1 #garden {  
2   display: grid;  
3   grid-template: 1fr 50px / 1fr 4fr
